Model: 23174A

Manufacturer: INLINE

EAN: 4043718293964

Product Code: 1511568

R3,945

Single Monitor Premium Gas Spring Sit-Stand Workstation Desk Mount provides both elegant appearance and functionality. The flexible side-to-side motion accommodates any size or desired position - perfect for shared work areas. The accessory area provides space for smartphones or other office accessories and dual 3.0 USB ports provide power for charging devices. The keyboard to monitor distance has been ergonomically optimized to reduce fatigue and eye strain.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
