Easy to install

Installing a hard disk or SSD is very easy thanks to the screwless mounting design of the AC1215. You are only 3 steps away from taking your favourite files along with you. First, open the enclosure. Second, connect the hard disk to the SATA connector and finally close the enclosure. The AC1215 is ready to connect to your notebook or computer. The enclosed USB connection cable provides the required power for your hard disk via your laptop or computer.

Backwards compatible with USB 2.0

No USB 3.2 Gen1 (USB 3.0) port on your computer? Connect the ACT AC1215 Enclosure to your USB 2.0 port.
