R27,169

Uncompromising Productivity, Reliability and Security: Your work continues to demand more — greater mobility, better security, and simpler ways of getting more done. That's why next-level capabilities come standard with the Xerox® VersaLink® C415 Color Multifunction Printer (MFP). Powered by advanced Xerox® ConnectKey® Technology, this modern multifunction printer is ready for anything you throw at it — today or tomorrow. Say Hello to More Ease: Easy-to-follow, step-by-step configuration options make setup a breeze, so you can get up to speed and back to work in minutes, not hours. The Xerox® Easy Assist App simplifies installation, monitoring and management of your MFP from the convenience of your mobile phone. Powering Productivity: The intuitive touch screen interface is your on-ramp to the ever-expanding Xerox App Gallery, home to a wide variety of

apps to take your Workplace Assistant even further. This allows the C415 MFP to adjust to the needs of your organization, even the ones you don't see coming. For example, the Easy Translator Service App can translate scanned documents into several different languages in a snap. Smart, Multi-Layered Security: Even security is simpler with the C415 MFP. Built-in features and comprehensive services that work hard to keep data and documents safe by preventing unauthorized access, detecting suspicious or malicious behavior and staying ahead of threats. Made for Modern, Mobile Work: You're always on the go, and your Workplace Assistant can help you stay that way. Work when, where and how you want with access to your favorite cloud storage platforms, including Google Drive™, Microsoft® OneDrive® and DropBox™, as well as additional options through the Xerox App Gallery. Wireless flexibility makes it easy to print and stay secure and connected no matter what.
