Supports the improved quick-charging technologies Power Delivery 3.1 Extended Power Range (EPR) and Qualcomm® Quick Charge™ 4.0 upwards, guaranteeing extremely quick charging

Universal use

Maximum compatibility for all mobile phones, tablets and other devices with USB-C connection

Quick charge function

High-quality, quick charging cable: in combination with a quick charger, you can charge your mobile phone at top speed

High quality Nylon sheath

Braided Nylon cable sheath: hard-wearing, easy to wind up, no tangled cables

Aluminium plug

Particularly stable aluminium connectors with special strain relief prevent bending or breaking of the connections

Improved kink protection

Flexible and at the same time extremely resilient materials for improved kink protection against cable breakage

Fast data transmission

Data cable with a speed of up to 10 Gbit/s for super-speed data transmission

Automatic device recognition

Connected devices are automatically recognized and optimally charged

Double shielded

Double shielding for good reduction of electromagnetic interference
