Make the most out of any workstation

ZenScreen MB229CF has an integrated carrying handle that doubles as a kickstand to prop the monitor at various angles for comfortable viewing. MB229CF also includes an ergonomic C-clamp arm and a bundled partition hook kit. The arm offers Z-axis adjustment for comfortable viewing positions, while the hook kit enables versatile placement for those looking to maximize desktop space—so it's perfect for any confined area.

Design with ergo in mind

Fold-out kickstand

The carrying handle does double duty as a handy kickstand to securely prop ZenScreen MB229CF up at 12–60° on any flat surface, ensuring comfortable viewing angles. It's perfect for multitasking or for demonstrations to small groups.

Partition-mounted

The unique partition hook kit helps you free up precious desktop space by enabling you to hang ZenScreen MB229CF from cubicle partitions or dividers. Offering 150 mm of height adjustment, the hanger kit lets you raise or lower the screen to eye level for perfect viewing.

C-clamp arm

The C-clamp arm allows you to tilt and pan ZenScreen MB229CF for ideal viewing at eye level. It offers -5°-20° tilt, -90-90° swivel, -90-90° pivot, and extension/retraction adjustments of up to 144mm. A quick-release mechanism allows you to easily mount or detach the monitor from the stand.

Full connectivity

A variety of I/O ports ensure compatibility with a wide range of devices. Integrated USB-C connectivity provides audiovisual signal transmission along with 60-watt power delivery, and HDMI® and an earphone jack offer convenience.

*DP Alt mode support required for attached device.

Big on convenience

ZenScreen MB229CF is larger than most portable monitors, and its frameless FHD IPS panel delivers up to 22-inch stunning diagonal visuals and wide, 178° viewing angles.

The anti-glare panel reduces reflections and glare, enabling you to comfortably work near a window or share content with a group.

And with its 2.2 kg design and carrying handle, MB229CF makes hotdesking easy—so any space can be transformed into a productive work area.

Immersive audiovisuals for work and play

With 2.1 channel audio speakers deliver incredible sound, so you can enjoy immersive audio when watching videos, listening to music, or when gaming.

ASUS Eye Care technology

ASUS Ultra-Low Blue Light technology protects you from potentially harmful blue light emissions. Included special features are especially beneficial to those who spend extended hours in front of a display.

The TÜV Rheinland-certified ASUS Blue Light Filter can be easily engaged via the onscreen display menu, with an intuitive slider allowing you to set your preferred filter level. All ASUS displays undergo stringent performance tests, and ZenScreen monitors have been certified by TÜV Rheinland laboratories, a global provider of technical, safety, and certification services.

TÜV Rheinland-certified ASUS Flicker Free technology eliminates flicker, ensuring comfortable viewing experiences. This technology helps minimize eyestrain and other ailments typically associated with extended hours of viewing.

Environmental Certification
