ZenScreen MB166CR uses a single USB Type-C* connection for both power and video transmission from your host device. This means you have less cables to work with, so you get a neater work area.

Designed with Versatility

A 360° detachable kickstand allow you to screw-in with ease on the rear tripod socket, enabling easy tilt adjustments in either portrait or landscape mode.
With the 360° kickstand design you can even put it on a tabletop mount with ease.
