

Equip USB 3.2 Gen 2 C to C Extension Cable, 1.0m, M/F, 4K/60Hz, 10Gbps, White

Model: 128376

Manufacturer: EQUIP

EAN: 4015867235805

Product Code: 1513834

R874

The equip 128376 USB Gen 2 C to C extension cable is a high-speed data and power transfer solution for devices equipped with USB-C ports. It enables extending the reach between two USB-C devices, such as laptops, smartphones, or tablets, by providing a reliable and efficient connection. With USB 3.1 Gen 2 technology, this cable supports data transfer rates of up to 10 Gbps, allowing for quick file transfers and smooth multimedia streaming. It also supports fast charging capabilities, delivering power up to 100W, making it suitable for charging various devices.

This extension cable offers versatility and convenience in connecting and extending USB-C devices.
