Bosch GLL 20-22 G Line level 20 m 500-540 nm (< 10mW)

Model: 0601065600

Manufacturer: BOSCH

EAN: 4053423303315

Product Code: 1514081

R4,489

Product Highlights

The GLL 20-22 G Professional is a robust and intuitive line laser made for a wide variety of applications. With an IP65 rating and rubber-enforced housing, it is made to withstand dust and water, so you can work with confidence in even the toughest conditions. The U-shaped laser window provides a broader fan angle for the horizontal line. And with a dual power source, you can switch between the BA 3.7V 3.0Ah XL Li-Ion battery and AA alkaline batteries - helping to eliminate downtime and increase productivity.

Equipment & Application

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The BA 3.7V 3.0Ah XL can recharge while in use and ensures that your work flows seamlessly, without power interruptions. The GLL 20-22 G is ideal for staircase construction, aligning walls, sockets and partitions, and tile and flooring installations.

Additional Information

The tool features a large battery indicator for easy readout. The bright green laser lines provide up to four times better visibility than red lines to make your levelling easier – no matter where the job takes you.
