Tilt sensitivity: varied line widths for creative work

Palm rejection: palm rest without false entries for comfortable writing

Fast USB-C Charging: Fully charge in 30 minutes, up to 12 hours of use

Magnetic Adhesion: Easily attaches to compatible iPads

Two color options: Available in elegant black and classic white.

The **InLine Stylus** is designed for **Apple iPads (2018-2025)** and provides **precise and fluid input** for creative work, writing and drawing. Thanks to its **tilt sensitivity**, different line widths and shades can be realized by tilting the pen.

The **Palm Rejection technology** ensures a comfortable writing experience by preventing unwanted contact with the palm rest. In addition, the **magnetic adhesion** allows the stylus to be attached directly to the iPad so that it is always ready to hand.

With the **USB-C fast charging function**, the stylus is **fully charged** in just **30 minutes**, after which it provides up to **12 hours of continuous use**. The remaining battery capacity and the charging status are indicated in stages by the built-in LED.
