Versatility and Comfort

The Armor One V2 offers versatile upholstery choices: premium PVC leather, woven fabric or imitation linen. Core features are consistent across models, with cosmetic and tactile variations cater to individual preferences.

Retaining the classic high-back design, the Armor One V2 reduces lower back tension. 4D folding armrests accommodate preferences for arm support or unhindered movement; a discreet strap secures the lumbar pillow, and an unobtrusive back pocket provides storage.

4D Folding Armrests

Originally developed for the official COUGAR x VCT 2024 gaming chair and rigorously tested in the esports arena, the 4D folding armrests support the arms when needed or can be fully folded back, clearing space for players who prefer maximum arm mobility.

Classic High-Back Design

The Armor ONE V2 retains the high-back structure of its predecessor, tailored for comfort and support of your lower back.

Upholstery Options

The Armor One V2 is upholstered in premium PVC leather, meticulously chosen for its supple texture and exceptional breathability, allowing air to circulate and keep you fresh and comfortable as you play. As an alternative option, the Armor One V2 F model offers a sophisticated touch and enhanced comfort with its woven fabric or imitation linen covering.

Extra Storage Convenience

The Armor ONE V2 features a back pocket for conveniently storing essential items within easy reach.

Subtle Functionality

A discreet strap secures the lumbar pillow without disrupting the clean, streamlined aesthetic.

Adjustable Design

155° Reclining

The Armor One V2 allows you to recline from 90° to 155°. Stay upright for work or play and lie down when you need to rest.

Piston Lift Height Adjustment
