Milan Snap is the stylish, eco-friendly case that's serious about drop protection. Engineered for durability and sustainability, Milan Snap is made with up to 84% recycled materials and provides up to 13 feet of drop protection. Milan Snap comes in an array of striking patterns and designs that let you express your individuality. Its slim, lightweight design fits comfortably in your hand, pocket, or bag. And Milan Snap is compatible with MagSafe and most wireless chargers. Choose Milan Snap and embrace style without compromise.
