Lanview LVN-100MB-POE30W-EXTENDER not categorized

Model: LVN-100MB-POE30W-EXTENDER

Manufacturer: LANVIEW

EAN: 5715328015265

Product Code: 1514747

R1,523

The Lanview 2-Port PoE Extender leverages advanced network cabling and power delivery technologies to extend Ethernet transmission distances well beyond the standard 100 meters—reaching up to 250 meters.

Fully compatible with IEEE802.3af/at-compliant PoE switches and injectors, it is an excellent solution for PoE-based security monitoring systems and network installations.

Built with high-performance network ICs and industry-leading PoE chipsets, this extender ensures reliable, safe, and stable network operation in demanding environments.
