Additional protection for the mobile phone display: The mobile phone case has a raised edge all around - so the touchscreen is better protected

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Hidden magnetic fastener

Only opens when it's supposed to: practical case for mobile phone with hidden magnetic fastener

Anti-fingerprint effect

Fingerprint-resistant surface: the robust material of the mobile phone flip cover avoids ugly smears from fingerprints - and instead simply always looks fresh and clean

2 insert compartments for cards

Mobile phone case with wallet function: the 2 card compartments in the mobile phone case offer space for ID, cards, tickets, notes etc. - always at hand without having to search for your wallet

Handy stand function

Stand-up mobile phone case: stand function for convenient positioning of the smartphone for watching videos in landscape format

Soft inside lining

Softly embedded all round: soft inner lining to protect the sensitive screen and back of the smartphone

Plastic-free
