Protection meets design: robust and reliable mobile phone case for the Apple iPhone 17 Pro that stands out from other mobile phone cases with its stylish colour contrast

Stylish contrast

More than just mobile phone protection: the coloured frame and the magnetic ring of the protective mobile phone case set specific accents and elegantly accentuate the mobile phone design - protecting the smartphone without covering it up

20% from recycled materials

Sustainable and resource sparing: made from 20% recycled materials – good for you and good for the environment

Protected side buttons

A clean sweep: The mobile phone cover also covers the side buttons - this protects against dust and enables a perfect pressure point

Protected camera button

Well thought-out down to the last detail: the mobile phone case also covers the quick access button for the iPhone camera

Compatible with Apple MagSafe and Qi2

The mobile phone case is compatible with original Apple MagSafe products and Hama Qi2 chargers

Magnetic ring for perfect wireless charging

Integrated, perfectly orientated magnetic ring allows wireless charging for Apple iPhone 17 Pro

Auto-positioning

Perfect auto-positioning, optimised for wireless chargers

Camera protection through raised edges

Simply lay it down carefree: the raised edges of the phone case provide protection for the protruding camera lenses without compromising the quality of the photos

Edge protection for the display

Additional protection for the mobile phone display: The mobile phone cover has a raised edge all around - so the touchscreen is better protected

Custom-fit

Tailor-made mobile phone case: protects what needs to be protected and leaves free what should remain free, e.g. loudspeaker and charging socket

Anti-slip surface

Bumper with grip: with the anti-slip material you always have a secure grip on the mobile phone case

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
