The Verbatim NANO USB Drive has a low profile design which is perfect for use with devices where a full size drive is not suitable.

From use with TV’s, media players and car audio devices, to expanding the storage of an ultra-book without increasing its footprint, the Verbatim NANO USB Drive is the perfect solution.

When inserted into a USB port only 5mm of the Verbatim Store 'n' Stay NANO USB Drive is left protruding, meaning it’s so small and unobtrusive it can be let in semi-permanently.
