R693

Deliver high quality optical digital sound, with no signal interference

The THINTOS15 15 ft Toslink Optical Digital Audio Cable provides clean, accurate sound, with no distortion or signal interference.

The thin construction of this Optical SPDIF cable is perfect for installations in tight spaces. The cable features a polished lens, which helps ensure a reliable signal and high-level digital sound quality.

Backed by our lifetime warranty, this 15ft Optical Audio Cable is constructed for maximum durability, for dependable, long-lasting connections.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
