UNO, the classic card game of matching colours and numbers that is easy to pick up...impossible to put down, now comes with customizable Wild Cards for added excitement! Players take turns racing to get rid of all their cards by matching a card in their hand with the current card shown on top of the deck. Special Action cards deliver game-changing moments and help defeat opponents! Use the Swap Hands card to change hands with any other opponent and use the 3 customizable (and erasable) Wild Cards to write your own rules! You'll find 19 cards of each colour (red, green, blue, and yellow), plus 8 Draw Two, Reverse and Skip cards in every colour, along with 4 Wild Cards, 4 Wild Draw Four cards, 1 Wild Swap Hands Card and 3 Wild Customizable cards. If you can't make a match, you must draw from the central pile! Don't forget to shout "UNO" when you only have one card remaining! The player to get rid of all the cards in their hand scores points for any cards their opponents are left holding. The first player to reach 500 points wins. Get Wild 4 UNO! includes 112 cards and instructions.. Colours and decorations may vary.
