Protect your electronic device in public places such as in the office, at school or while travelling. The security lock keeps your device, personal information and data safe from theft. It is easy to install and you can anchor your device securely to your desk, table or any other fixed object.
The security locks work with all tablets, notebooks, desktops, monitors, docking stations or other compatible devices fitted with Wedge Slot, including Dell.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
