InLine USB 3.2 Gen.1 Cable Type A male / Type A female, black, 5m

Model: 35665

Manufacturer: INLINE

EAN: 4043718288304

Product Code: 1519261

R954

Fast data transfer up to 5 Gb/s: Supports SuperSpeed USB 3.2 Gen.1 for reliable, fast connections to storage and peripheral devices.

Compatibility with older USB standards: Backward compatible with USB 2.0 and 1.1 for flexible use with older systems.

High signal quality thanks to shielding: Foil and braided shielding according to USB 3.x standards reduces interference and ensures a stable connection.

Robust twisted pair construction: Reduces crosstalk and improves transmission quality even with longer cable lengths.

Gold-plated contact pins: Optimized contact surfaces ensure a long-lasting connection and minimize data errors.

The InLine® USB 3.2 Gen.1 extension cable offers a powerful solution for extending your USB
