Meet the trendsetters getting all the buzz on the riding circuit: Leo and Rocky, his loyal Rocky Mountain Horse. They're the horse-and-rider sensation shaking up the equestrian fashion scene - fans can't stop raving about Leo's groundbreaking styles. He's a star in the saddle, too. The posable Leo figurine and horse with brushable hair are part of the new Sophia's Beauties lineup from Schleich Horse Club.

Don't Leo and Rocky look dapper in their matching riding vest and horse blanket? Leo dreams of taking the fashion world by storm one day. His Rocky Mountain Horse, Rocky, would do anything to make Leo's dreams come true. Leo styled Rocky's mane with a shock of orange hair and a few smoky blue beads. Leo might not realize it yet, but Rocky sees it: Leo's gonna be a fashion star!
