

Bosch GKE 18V-40 Professional Black, Blue, Red

Model: 06008D3000

Manufacturer: BOSCH

EAN: 4059952686653

Product Code: 1522797

R6,868

For all your on-site carpentry and outdoor gardening needs, the cordless chainsaw GKE 18V-40 Professional is the perfect solution. Its powerful brushless motor with BITURBO technology delivers strong performance with low noise levels that allow you to work in noise-sensitive areas like residential areas or company sites – all without emitting exhaust fumes. Its electronic motor brake stops the chain quickly after the trigger is released. OptiCut adjusts speed and torque to the respective work situation, avoiding nuisance stalling under higher workloads. The combination of the BITURBO Brushless technology and OptiCut delivers high performance and continuous cutting all in one product.

Equipment & Application

The 40 cm bar allows continuous cutting through beams, timber, and thick branches, making it the perfect tool for a wide range of jobs. This is a chainsaw that starts hassle free, has low maintenance, and a long service life. Compatible with the Bosch Professional 18V System and with the multi-brand
