DISPLEX Premium Camera Lens Glass – Precision Ring Protection for Samsung Galaxy S25 Ultra. Refined camera protection, ring by ring.

Protect each lens of your Samsung Galaxy S25 Ultra with DISPLEX Premium Camera Lens Glass – a set of ultra-thin 10H tempered glass rings, reinforced with a scratch-resistant DLC (Diamond-Like Carbon) coating.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

These rings are engineered to safeguard every lens individually from scratches, impacts and dust. The ultra-clear finish allows 95% light transmission, preserving image sharpness and colour accuracy. A high-tech anti-fingerprint coating resists smudges and keeps your camera clean and brilliant.
The elegant acrylic design blends with all device colours and fits seamlessly even with protective cases. Thanks to the Quick Mount system, installation is effortless: pre-mounted, press on, done – no tools needed.

Key Benefits:
- Individual 10H tempered glass lens rings – ultra-thin & impact-resistant
- Premium DLC coating for added surface strength
- 95% transparency – clear, true-to-life imaging
- Anti-smudge coating for cleaner lenses
- Transparent acrylic ring – seamless with any phone colour
- Quick Mount tray for fast, easy application
- Precise fit for Samsung Galaxy S25 Ultra – case compatible
- Engineered in Germany for premium quality

DISPLEX – Clearly Better. Visibly Safer.
