The vibe in Santa Cruz is fun-loving and open. What you see is what you get—which perfectly describes Santa Cruz Snap. This slim, transparent case pops with accents of vibrant color. Santa Cruz Snap is fortified with graphene, one of the strongest materials on earth. It’s been drop tested and proven to protect up to 13 feet. It also has no-slip, textured grip. The transparent Santa Cruz Snap shows off your phone and lets you express yourself with accents of color.
