Easy-going: whether it be mobile working, home office or the office proper, the flat mouse means that your work will be easier to do - and once you're done, the mouse can be stowed in even the smallest pocket

Mouse with Bluetooth and radio

Ready to go anywhere: the multi-device mouse has 1 radio and 2 Bluetooth channels and can therefore be connected to up to 3 devices simultaneously, switching between them with lightning-fast speed at the press of a button

AI assistant for many programs

More productive with artificial intelligence: Assist button activates the cross-program AI assistant

For right and left-handed people

Fits in either hand: the precise, symmetrical shape of the optical mouse is ideal for both right and left-handed people

Whisper-quiet buttons

Quiet mouse, no clicking noises: whisper-quiet buttons ensure undisturbed and relaxed working with the wireless mouse

Browser buttons

Handy side buttons: the browser buttons on the wireless mouse support the forward/back function for easy navigation, e.g. in web browsers, Outlook, etc.

USB receiver can be stowed

A place of its own: the stowable USB receiver can be transported in a space-saving manner inside the mouse housing
