Model: 83580000

Manufacturer: ESSELTE-LEITZ

EAN: 4002432142415

Product Code: 1524032

R5,615

The Leitz IQ OptiMax home office shredder offers an innovative, stylish shredding solution, delivering exceptional document security and peace of mind. This high-security DIN P5 paper shredder effortlessly shreds up to 6x A4 sheets at a time into micro-cut pieces, making it an ideal small shredder for personal and home office use. Featuring unique Bin Rotation Technology (BRT), the Leitz shredder maximizes bin capacity by +45%*. The rotating bin ensures flat, even paper distribution, preventing paper peaks and allowing an additional 70x A4 sheets to be shredded before needing to empty. With BRT, there’s no need to remove or shake the bin — the ‘bin full’ indicator activates only at 100% capacity. The 15L bin holds up to 225 x A4 sheets, illuminated by a stylish blue light during use for an enhanced shredding experience. An intuitive LED display provides clear warning indications for bin full, door open, overheat, and overload, ensuring smooth, hassle-free
