R2,316

A compact push for your creativity where you want it: The "Premium" tablet case with detachable keyboard and touchpad is the ideal companion for your Samsung Galaxy Tab S11 11" and its high-quality finish ensures plenty of comfort, security and a professional impression.

Removable keyboard

More comfort on the tablet with the removable keyboard: even more flexibility thanks to magnetic, removable keyboard with touch pad - efficient and ergonomic working, wherever you want

Stable stand function

Stable stand for the tablet: simply unfold the tablet case using the sturdy metal hinge and conveniently use the tablet with the keyboard for work

Slim tablet sleeve, lots of content

Like a notebook, but more compact: for those who are on the go a lot but who don't want to forego comfort while working, while writing a blog, preparing a presentation or answering e-mails

Keyboard with touch pad

No mouse needed: the handy keyboard with touch pad simplifies intuitive operation like on a laptop, tap on the keyboard and swipe on the screen without switching

Magnetic closure tab

Handy protective case for the tablet and keyboard: magnetic closure tab for secure closure of the case only opens when it should

Pleasant to the touch

Fits well in the hand: the practical tablet cover in an elegant design impresses with its particularly pleasant feel and wipe-clean surface

Full access

With the tablet in its case, you have everything to hand: cut-outs allow full access to ports and control elements - all buttons, sockets, etc. are accessible as normal

Media keys

Practical and intuitive: media keys for specific functions of the relevant operating systems are integrated directly into the physical tablet keyboard

Individually offset keys

Proven design: fast, easy cleaning and pleasant typing thanks to flat, individually offset keys - the tablet case keyboard always makes a professional impression

Low-noise keys

Whisper-quiet for concentrated working: low-noise keys allow interruption-free and relaxed working without click sounds, making them ideal for meetings, seminars, etc.

Control multimedia functions via F keys

Activate with Fn: control multimedia functions via the secondary assignment of F keys - without having to use the tedious route of system settings

Fn lock function

Enable and disable the FN lock easily: swap the primary and secondary assignment of the F1 to F12 keys - so you can use the multi-media functions directly via the F-keys, for example, without having to keep the Fn button pressed too

Suitable for many devices

Maximum compatibility: the small Bluetooth keyboard can be used anywhere - if necessary for smartphones, laptops and desktop PCs with a Bluetooth receiver too
