The metal AC8378 Cable Management Tray keeps your desk tidy and clean and your cabling organized. The tray’s width is 40cm and provides enough storage capacity for storing a power strip, laptop charger, cabling and more. The open structure is ideal for ventilation and cable routing. And the best part: mounting without screwing or drilling. Easily attach the tray underneath a desk (max. thickness 50mm) with the enclosed clamp mount. The AC8378 can be used with a monitor arm with clamp mount.

Keep your desk tidy and clean

Transform the cable clutter on and under your desk into a tidy and clean looking work space with help of a cable tray. This solid metal cable tray helps you to guide all the cabling to a central point
