R1,180

The 128389 USB4 ultra-slim C to C cable is engineered for high-speed data transfer, advanced display connectivity, and extreme power delivery in a lightweight, space-saving design.

Built on USB4 technology, it supports data transfer speeds up to 40Gbps and is compatible with Thunderbolt 3 and Thunderbolt 4 devices. The cable enables seamless connections between laptops, tablets, smartphones, external SSDs, docks, and displays, while supporting video output up to 8K at 60Hz via DisplayPort 1.4a and DP Alt Mode.

With an integrated E-marker chipset and Power Delivery 3.1 support, the cable delivers up to 240W (48V/5A), making it suitable for charging power-hungry laptops and professional devices. The ultra-slim 3.2 mm outer diameter, combined with a premium braided jacket, double shielding, and
