Model: 128830

Manufacturer: EQUIP

EAN: 4015867243800

Product Code: 1524916

R761

The 128830 USB 2.0 USB-C to USB-A cable offers a compact and reliable solution for charging and data synchronization between USB-C devices and standard USB-A ports.

Supporting data transfer speeds of up to 480 Mbps, this short-length cable is ideal for close-range connections such as power banks, docking stations, laptops, and USB hubs. Double shielding helps reduce electromagnetic interference and ensures stable, error-free signal transmission.

With support for up to 3A output current, the cable enables efficient charging for USB-C smartphones, tablets, and accessories. Nickel-plated connectors and a durable PVC jacket ensure dependable performance and long service life in everyday use.
