

Equip USB 2.0 C to A, Cable, M/M, 0.5m

Model: 128831

Manufacturer: EQUIP

EAN: 4015867243817

Product Code: 1524917

R743

The 128831 USB 2.0 USB-C to USB-A cable provides a reliable solution for charging and data synchronization between USB-C devices and standard USB-A ports.

With support for data transfer speeds of up to 480 Mbps, this cable is suitable for everyday connections to laptops, USB hubs, printers, scanners, and other USB peripherals. Double shielding helps minimize signal interference and ensures stable, error-free data transmission.

Supporting up to 3A output current, the cable enables efficient charging for USB-C smartphones, tablets, and accessories. Nickel-plated connectors and a durable PVC jacket contribute to consistent performance and long-term durability.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
