Model: 3MDFFGLB.0001

Manufacturer: COUGAR

EAN: 4710483777912

Product Code: 1524989

R9,731

The Defensor guards the health of your back enabling you to game harder, for longer. Its integrated PushBack advanced lumbar support system lets you control just the right amount of pressure applied on your lower back, preserving the natural curve of your spine. The 4D folding armrests offer a choice between optimal arm support and unhindered movement; features such as high-density molding foam and a magnetic memory foam neck pillow prioritize your comfort.

The Defensor is available in three upholstery choices: premium Hyper-Dura leatherette, woven fabric, and imitation linen.

PushBack Support

The PushBack advanced lumbar support system helps maintain the natural lordotic curve of the lumbar spine. Integrated directly into the Defensor, it lets you precisely adjust exactly how much pressure is applied to your lower back, relieving pressure on your spinal structure by encouraging orthopedically sound alignment.

Magnetic Memory Foam Neck Pillow

Equipped with a Magnetic Memory Foam Neck Pillow, the Defensor lets you easily position the pillow to your exact preference. The memory foam conforms to your body's shape, relieving pressure on your neck and making sure you stay healthy through those long gaming sessions.

High-Density Molding Foam

High-density molding foam contours closely to your back's shape over time for superior comfort and robust support.

4D Folding Armrests

Originally developed for the official COUGAR x VCT 2024 gaming chair and rigorously tested in the esports arena, the 4D folding armrests support the arms when needed or can be fully folded back, clearing space for players who prefer maximum arm mobility.

Something for Everyone

The Defensor is available in three upholstery options. Premium Hyper-Dura leatherette is 12 times more resistant to wear and tear than regular coverings, extending longevity. Woven fabric offers a sophisticated touch and enhanced comfort. Imitation linen promotes breathability with timelessly elegant looks.

Extra Storage

The Defensor features a back pocket for conveniently storing essential items.

Best in Class: Class 4 Gas Lift Cylinder

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The class gas lift cylinder is TÜV certified, guaranteeing safe, reliable and smooth height adjustment.

Noiseless Mobility

A sleeve on the caster's spoke eliminates noise, allowing the Defensor to glide across any surface as quiet as it's effortless. At 75mm diameter, the plus-size wheels vastly enhance stability.

155° Reclining

The Defensor allows you to recline from 90° to 155°. Stay upright for work or play and lie down when you need to rest.

Piston Lift Height Adjustment

Premium quality piston lift lets you easily adjust the Defensor's height.

Rock Your World

Adjusting the tilt tension lets your body recline and rock comfortably within a small angle range at just the right amount of pressure. Lock in your perfect position!
