Look sharp

Look your best in every call. With 2K QHD, this high-quality webcam delivers sharp 2560x1440p video at 30fps with fixed focus, along with an integrated microphone for crystal-clear audio. Video calls and streaming have never looked (or sounded!) so good!

All eyes on you

Make this camera work just the way you want it to – the Tomar's 75° field of view keeps you centre stage, whilst Digital Noise Reduction creates perfect image quality even in dark or low-lit rooms. Are you ready for your starring moment?

Privacy on demand

Everyone needs some privacy now and then, which is why this webcam is fitted with a physical privacy shutter securely that covers the lens when needed, along with an activity indicator light showing when you're live. Total control over your privacy, here you come!

Set up for success

Simply plug in via USB-C or USB-A and you'll have instant compatibility with video-conferencing software like Teams and Zoom. Plus, with multiple ways to place – on your desk, hooked onto your monitor, or attached to a tripod via the integrated ¼" thread, every video call becomes hassle-free.
