Microconnect AUDANS cable gender changer 6.35mm 2 x 3.5mm Black

Model: AUDANS

Manufacturer: MICROCONNECT

EAN: 5705965854754

Product Code: 1525670

R916

The MicroConnect AUDANS adapter provides a seamless solution for converting a 6.3mm audio connection to dual 3.5mm outputs. This adapter allows you to connect devices with a standard 6.3mm jack, such as professional headphones or instruments, to two separate devices using 3.5mm connections, like speakers or recording interfaces. This adapter ensures high-quality audio transmission and reliable performance. Built to MicroConnect's exacting European standards, the AUDANS adapter offers exceptional durability and optimal signal transfer, making it an essential tool for audio enthusiasts and professionals seeking versatile connectivity options. With over 20 years of expertise, MicroConnect delivers pioneering innovation in connectivity solutions, ensuring premium quality at fair prices.
