TP-Link TL-SF1016DS network switch Unmanaged Fast Ethernet (10/100) 1U Black

Model: SF1016DS

Manufacturer: TP-LINK

EAN: 6935364021535

Product Code: 1525747

R1,743

What This Product Does

The 16-Port 10/100Mbps Desktop/Rackmount Switch TL-SF1016DS provides you with a high-performance, low-cost, easy-to-use, seamless and standard upgrade to improve old network to 100Mbps network. All 16 ports support auto MDI/MDIX, no need to worry about the cable type, simply plug and play. Moreover, with the innovative energy-efficient technology, the TL-SF1016DS can save on power consumption and most of the packaging material can be recycled, making it an

eco-friendly solution for your business network.

TP-LINK Green Technology

This new generation The 16-Port 10/100Mbps Desktop/Rackmount Switch TL-SF1016DS features the latest innovative energy-efficient technologies that can greatly expand your network capacity with much less power. It automatically adjusts power consumption according to the link status and cable length to limit the carbon footprint of your network. It also complies with the RoHS, prohibiting the use of certain hazardous materials. Besides, most packaging material can be recycled.

High Performance

The rack-mount size steel case design, combined with a safety-certified internal power supply, make the switch the most robust product, which is very cost-effective for a less than 16-user environment. Featuring non-blocking switching architecture, TL-SF1016DS forwards and filters packets at full wire-speed for maximum throughput. And IEEE 802.3x flow control for Full Duplex mode and backpressure for Half Duplex mode alleviate the traffic congestion and make TL-SF1016DS work reliably.

Easy to Use

The auto features of this fast ethernet switch make installation plug and play and hassle-free. No configuring is required. Auto MDI/MDIX eliminates the need for crossover cables. Auto-negotiation on each port senses the link speed of a network device (10, 100Mbps) and intelligently adjusts for compatibility and optimal performance.
