Connect USB 2.0 USB-B devices to your USB-C host

Need to connect your USB-B device to a USB-C™ device? This 1m USB-C to USB-B cable is the perfect solution. It's also compatible with Thunderbolt™ 3 ports.

Connect your older USB 2.0 peripheral devices, such as your printer or external hard drive, to newer computers, with data transfer speeds of up to 480 Mbps.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
