One of the thinnest wall arm mounts on the market, the Peerless-AV® DesignerSeries™ Universal Ultra Slim Articulating Wall Mount is designed exclusively for ultra-thin displays. The SUA747PU is built to hold displays firmly in any position – landscape or portrait – while still offering an ultra-low profile. An innovative I-shaped adaptor plate makes it easy to access the back of the display, keeping hardware hidden, and features internal cable management, providing a clean, professional look that transitions smoothly from the wall to the display. With a gloss Black finish, the SUA747PU matches any décor.
