

StarTech.com 2.5" SSD/HDD Mounting Bracket for 3.5" Drive Bay - Tool- less Installation

Model: BRACKET125PT

Manufacturer: STARTECH

EAN: 065030866385

Product Code: 1527181

R717

Easily install one 2.5" solid-state drive or hard drive into a 3.5" bay, without requiring any additional hardware or tools

This mounting bracket lets you quickly install a 2.5" SSD or HDD into a single 3.5" bay in a desktop PC or server, with no tools required. The tool-less mounting bracket supports a 2.5" solid-state drive or hard drive from 7 mm to 9.5 mm in height.

Save time with easy, tool-less drive installation

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The mounting bracket's tool-less design makes it fast and easy to install a 2.5" drive in a computer or server, without the need for additional hardware or tools. It's ideal for system administrators and integrators who are building or upgrading a computing solution for a wide range of businesses and organizations, including schools and hospitals, saving valuable time and effort on installation projects.

Designed for trouble-free use

The lightweight mounting bracket is designed for trouble-free, reliable performance. To install a drive, you simply secure it into the mounting bracket, without using tools. Then, you put the bracket into a 3.5" drive bay in your computer and the bracket holds the drive in place using the tool-less plastic pegs.

The BRACKET125PT is backed by a StarTech.com 2-year warranty and free lifetime technical support.
