The BLITZKOCHER Golf is a powerful supplier of hot water. A maximum of 1.7 liters of water are heated in no time at all with up to 2,150 watts and the water level indicator shows the fill level. Dry boil protection and boil stop with automatic switch-off ensure safety, the large opening of the water tank, the covered heating element and the removable limescale filter ensure easy cleaning. The cable can be stored in the base to save space. The BLITZKOCHER Golf is available in white or black.
