R2,653

Get smart travel organization with the 12-15.6” CitySmart™ Compact Under-Seat Roller. For on-the-go professionals who value convenience and style, this hardworking roller provides the ideal space, convenience, and features for short haul trips. Safeguard your style with a separate clothing compartment. Protect your laptop in the drop-protective SafePort® Sling. Retractable top and side handles help you hoist overhead or grab from under your seat with ease. Smooth-rolling and quiet wheels combined with a sturdy trolley pole let you maneuver masterfully. Park it with ease thanks to the large stand-up base. Eye-catching orange interior elements highlight the laptop SafePort® Sling, accessories pouches and more, for easy visibility and added style.
