R7,278

Stylish holder and additional ClickShare Buttons, sold separately

ClickShare Button and Tray

Fully equip your meeting rooms with a practical and stylish Tray and additional ClickShare Buttons to allow several people to share content. By having multiple Buttons in the room, users don't need to pass on Buttons.

Moreover, two users can easily share content on screen simultaneously when they both plug in a Button into their laptop.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
