Oslo is an impact protective flip wallet case made from vegan leather that looks and feels just like real leather. Unlike many other vegan leather products, this case is made from recycled plastic materials and is 100% recyclable. With its foldable back, you can enjoy hands-free horizontal video watching.

- Made from GRS-certified recycled and recyclable plastic materials
- Custom-fit slim yet impact protective design
- Compatible with wireless charging
- Slot with space for 3 cards
- Horizontal kickstand function
- vegan leather that looks and feels just like the real thing
- Made without compromise on quality, functionality and design.
