Model: JCDS335-N

Manufacturer: J5 CREATE

EAN: 4712795087727

Product Code: 1531176

R4,476

A USB-C® 4K Speakerphone Dock that turns your laptop into a full workstation and conferencing device. With two 4K HDMI™ outputs. Includes one Type-C Power In port that supports up to 100W Power Delivery for charging laptops with a Type-C power adapter. Has two USB™ Type-A 5Gbps ports, and one USB-C® 5Gbps port for connecting a variety of USB™ devices. The docking station is also equipped with an RJ45 Gigabit Ethernet port for high-speed network connectivity.

The speaker & microphone function provides crystal-clear audio for conference calls. Four omnidirectional microphones are included to pick up voices from around the conference table and Acoustic Echo Cancellation to eliminate echo and unwanted background noise. The built-in buttons make it simple to initiate calls, hang up and mute/unmute and adjust the volume. The speakerphone dock is small and lightweight for easy placement and transportation. It's plug-and-play and ready to use with your favorite video conferencing apps. All docking and speakerphone functions are combined into one compact docking station, so you will have all the connections you need to stay productive!
