Our Presidio®2 Grip MagSafe® features 13-foot drop protection thanks to air capsule technology that cushions your device like an airbag and our unique grip for a secure, durable hold.

Protect your phone in style with the Presidio®2 Grip MagSafe®—built tough with up to 13-foot drop protection thanks to its smart air capsule technology that cushions your phone like an airbag. The slim profile includes inverted no-slip grips for a better hold, making texting and taking photos more secure and comfortable. Built-in magnets ensure full compatibility with all Apple MagSafe® accessories, so charging and snapping on extras is a breeze. You'll also love the ultra-responsive buttons that offer smooth, satisfying clicks every time. A raised bezel adds extra screen protection for those unfortunate face-down drops. This case is designed to keep up with your everyday life—and backed by a limited lifetime warranty for peace of mind.

Up to 13-foot drop protection with Presidio®2. When dropped, air capsules compress and suspend your phone on a protective cushion of air, just like an airbag. These phone-loving airbags are designed to absorb shock and resist damage to your device.

No-slip inverted grips for better hold. Our innovated no-slip inverted grips on the back of this super slim case provide durability and long-lasting grip for texting and photography.

Built for MagSafe® accessories. Presidio®2 Grip features built-in magnets designed to specifically work with all Apple MagSafe® accessories.

Smooth clicks with ultra-responsive buttons. A precise fitting case with enhanced ultra-responsive buttons for smoother clicks and volume control.

Raised bezel screen protection. This added bit of protection is designed to resist screen shatters or cracks for those times when your phone falls and lands face-down.
