ROG Strix Aiolos

SSD Enclosure

Cool & Fast.

The ROG Strix Aiolos is a high-performance M.2 SSD enclosure built for gamers who demand speed, style, and reliability on the go. Featuring USB 3.2 Gen 2x2 connectivity, it delivers blazing-fast data transfers at up to 20Gbps, allowing entire AAA game libraries to be moved in seconds. A comprehensive dual-layer cooling solution comprising a thermal pad and a liquid-silicone-rubber coating ensures stable performance under heavy loads, while its tool-free design allows for quick and effortless SSD installation. Boasting customizable ROG Aura RGB lighting, an exclusive metal hook with fabric tag, durable reinforced braided cable, and the intuitive ROG SSD Dashboard, the ROG Strix Aiolos is the ultimate portable storage companion for gamers.
