

Kensington VeriMark IT 2.0 USB-C Fingerprint Key - Windows Hello & Windows Hello for Business

Model: K64705WW

Manufacturer: KENSINGTON

EAN: 085896038313

Product Code: 1534830

R2,075

The VeriMark™ IT USB-C® Fingerprint Security Key delivers enterprise-grade biometric authentication through native integration with Windows Hello and WebAuthn. It is fully compatible with Microsoft Enhanced Sign in Security (ESS)* and enables fast, password free login and single sign on access to Microsoft services such as Entra ID, Microsoft 365, OneDrive and Outlook. Advanced Match-in-Sensor™ technology provides 360° fingerprint readability, robust anti spoofing protection, and high precision biometric accuracy with low false rejection and false acceptance rates. Built in AI driven fingerprint recognition improves accuracy over time, while a dependable USB-C® connection

ensures consistent, secure authentication across modern Windows devices. * Windows Hello
