Model: K50427WW

Manufacturer: KENSINGTON

EAN: 085896504276

Product Code: 1534888

R1,555

Enhance your workspace with the SmartFit™ EQ Adjustable Multi-Angle Laptop Stand, specifically designed for compact desks and multi-monitor setups using a laptop as one of the displays. Offering six customisable height and angle combinations to support proper ergonomic viewing angles, it uses dual locking latches to ensure stability and simplify adjustments. Recommended by the German IGR Institute for Health and Ergonomics, its robust construction supports Laptops and MacBooks ranging from 13 to 16. The anti-slip rubber feet ensure your device and riser remain securely in place. Built to last, this riser is constructed from durable, high-quality plastic containing 75% post-consumer recycled content. Ideal for small workspaces, it uses minimal desk space and conveniently folds flat when not in use. Ships in FSC® certified packaging and includes 2-year limited warranty.
