

Brock HC 5001 BK Hair Straightener 60W, Black

Model: HC 5001 BK

Manufacturer: BROCK

EAN: 4752131000652

Product Code: 1535007

R788

The BROCK HC 5001 BK is a powerful hair straightener designed for fast and precise everyday styling. The PTC heating element provides rapid heat-up and helps maintain a stable operating temperature. The straightener offers an adjustable temperature range from 150°C to 230°C, allowing the heat level to be selected according to different hair types. A built-in LED display shows the current temperature, while the temperature lock helps prevent accidental changes during styling. The 25 × 110 mm floating plates provide more even contact with the hair for smooth and consistent straightening. For convenient handling, the appliance is equipped with a 1.8 m 360° swivel power cord, hanging loop and an integrated storage lock. Manufacturer: Brock | Temperature: 150°C - 230°C | Display : Yes | Swivel cord: Yes | Plate width (mm): 25 | Length of the plate (mm): 110 | Color: Black
