

Brock WK 0601 SS Electric Kettle 1,8L 1500W, Black/Steel

Model: WK 0601 SS

Manufacturer: BROCK

EAN: 4752131001024

Product Code: 1535009

R744

The BROCK WK 0601 SS is a practical 1.8-liter electric kettle with a durable stainless steel housing, designed for fast and convenient everyday water boiling. The kettle features a visible water level indicator, red operating light and a triple safety system. It automatically switches off when the water reaches boiling point and when the kettle is removed from the base. Dry-boil and overheating protection help protect the appliance if it is accidentally switched on without sufficient water. With 1500 W power, a compact 360° base and a 0.75 m power cord, the kettle is suitable for everyday home, office or hotel use. The 1.8 L capacity, 1500 W power, stainless-steel housing, water-level indicator and overheating protection are independently confirmed for this exact model.

Manufacturer: Brock | Body material: stainless steel | Rotating the Teapot: for 360° | Power: 1.500 W | Maximum capacity (l): 1.8 | Color: Stainless steel / Black | Heating element: Concealed | Cord storage: Yes | ON (heating) indicator : Yes | Water level indicator: Yes | Automatic safety switch off: Yes | Automatic cut off if there is no water: Yes | Temperature regulator: No | Overheating safety
