Bosch Universal Drill 18V 1450 RPM Keyless 1.2 kg Black, Green

Model: 06039D4000

Manufacturer: BOSCH

EAN: 4053423225228

Product Code: 1535558

R2,252

Lightweight and compact design meets smooth power for work in a variety of materials

This lightweight and compact drill driver provides the ideal mix of power and versatility. The ergonomic design offers comfortable handling. Always using the right amount of power on every task is possible thanks to 20 different torque settings and a maximum setting. Its 2-speed planetary gearbox provides a long lifetime and good working progress. The UniversalDrill 18V is the perfect choice for drilling and screwdriving in wood, metal and plastics.

Two gears for consistently optimal power

The 2-speed gearbox enables choosing the right power setting for each job. Its low-speed first gear is ideal for screwdriving and drilling larger diameters, while its second gear allows a quick drilling progress at small diameters.

Precision made easy

20 torque stages for maximum precision: simply select the desired torque on the pre-setting ring for individual adjustments on different materials. Once set, the max final setting ensures optimum power.

Quick and easy drill and bit change

The single-sleeve chuck design combined with an automatic spindle lock enables one-hand operation for quick and easy drilling and bit changes.

Power for ALL cordless systems from Bosch

Whether drilling, cleaning or gardening. Switch quickly and easily between different devices with the 18 V Power for ALL battery from Bosch. For even more flexibility the battery fits also in tools of other Power for ALL battery alliance partner.
