Secure hold for mobile use: The integrated Hand Strap on the inside provides additional support when carrying and operating the tablet – particularly comfortable for longer periods of use or when travelling

Handy stylus compartment

Tablet case with stylus compartment: handy, space-saving stylus compartment for input styli, pens and more - ensuring touch pens and so on never get lost again and are always to hand

Edge protection for the display

Additional protection for the tablet display: The tablet case has a raised edge all around - so the touchscreen is better protected

Automatic switch-on and switch-off

Easily save energy: the integrated magnet in the tablet case switches the Galaxy Tab on when the cover is opened and off when it is closed - save battery power even without an extra button press

Magnetic closure tab

Handy lockable protective case for the tablet: magnetic closure tab for secure closure of the case only opens when it should

Transparent back

Hard, transparent back: even in the case, the tablet's design remains visible - safe handling and a high-quality appearance combined in one outdoor tablet case

Pleasant haptics

Sits well in your hand: the shockproof tablet cover in a robust design also impresses in everyday situations thanks to its particularly pleasant feel and wipe-clean surface
